

Sign into Adobe and Download Creative Cloud for your Desktop

1. Go to **Adobe.com** and **click** the “Sign In” button

How To Instructions

2. Students will need to **Sign In** using their LAFS email and press “Enter” (no need to enter password just yet)

The image shows the Adobe ID sign-in page. At the top left is the Adobe ID logo. Below it is the heading "Sign in". There are two input fields: "Email address" and "Password". Below the "Email address" field is a checkbox labeled "Stay signed in" which is checked, and a link "Forgot password?". Below these is a blue "Sign in" button. Further down, there is text "Not a member yet? [Get an Adobe ID](#)". Below that is text "Want to use your company or school account?" followed by a link "Sign in with an Enterprise ID". At the bottom, there is text "Or sign in with" followed by a horizontal line. Below this line are two buttons: "Facebook" and "Google".

How To Instructions

3. It will immediately redirect you to LAFS login page where you can type in your LAFS credentials → username (your email without @lafilm.edu) and password

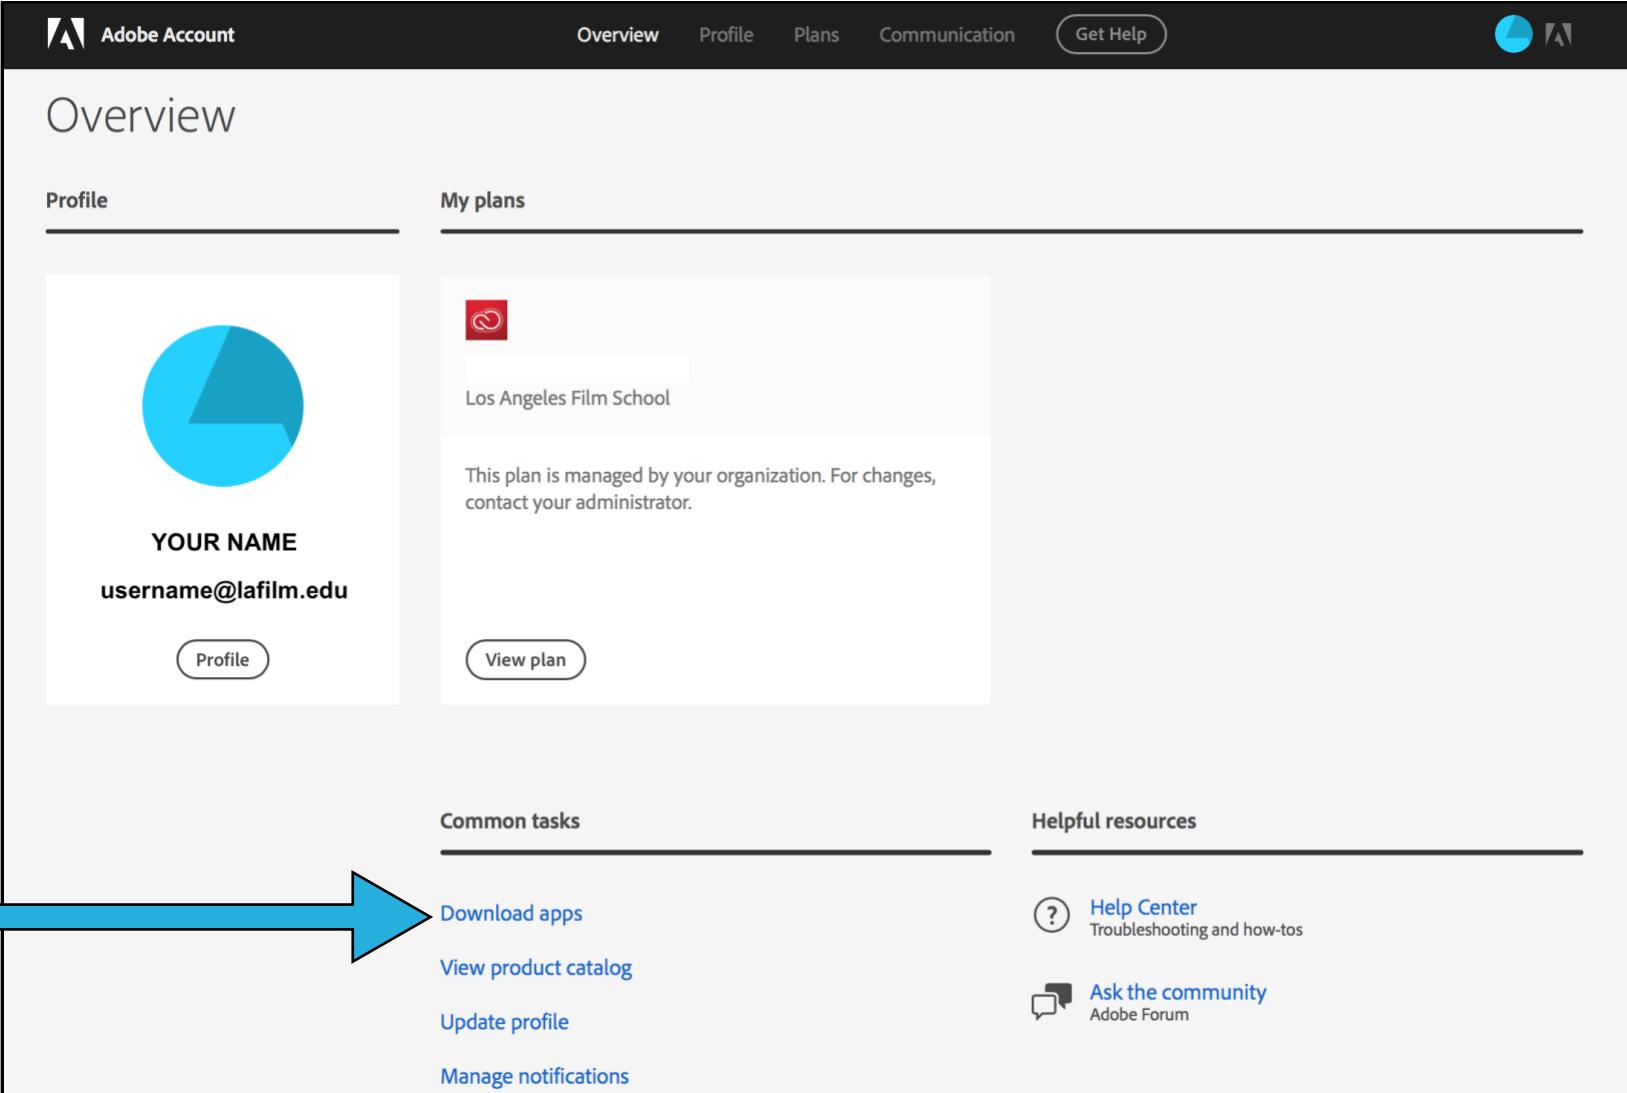

How To Instructions

4. **Click** on “Manage Your Account” link

How To Instructions

5. **Click** on “Download Apps” link

The screenshot shows the Adobe Account Overview page. The top navigation bar includes the Adobe Account logo, links for Overview, Profile, Plans, and Communication, and a Get Help button. The main content area is divided into two columns: Profile and My plans. The Profile section displays a placeholder for a profile picture, the name 'YOUR NAME', the email 'username@lafilm.edu', and a Profile button. The My plans section shows a plan for 'Los Angeles Film School' managed by an organization, with a View plan button. Below these sections are two more columns: Common tasks and Helpful resources. The Common tasks column lists links for Download apps, View product catalog, Update profile, and Manage notifications. The Helpful resources column lists links for Help Center and Ask the community. A large blue arrow points from the left edge of the image to the 'Download apps' link in the Common tasks section.

2. Follow the instructions to install the Creative Cloud desktop app.

8. **Double click** on the icon to start the installation of the Creative Cloud App

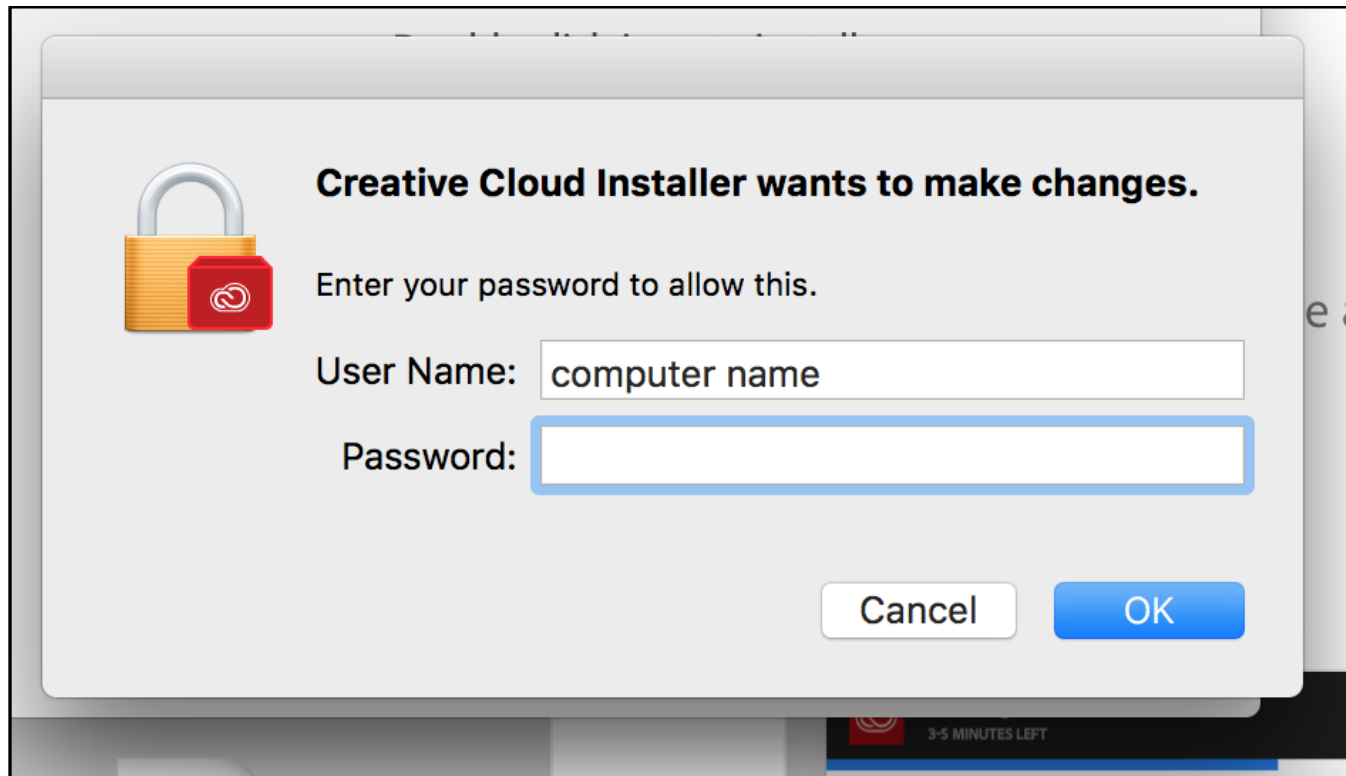

How To Instructions

9. Click on “Open”

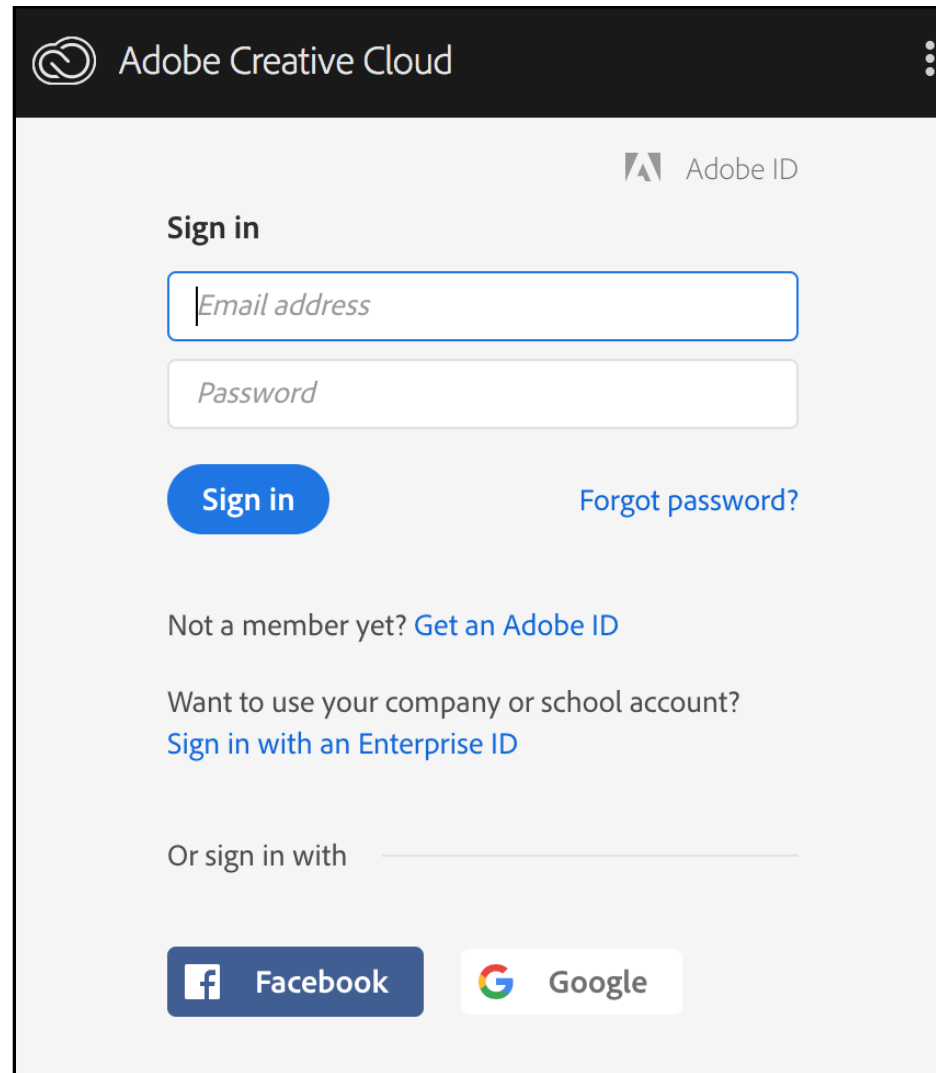

How To Instructions

10. **Enter** the Password for your computer and **click** “Okay”

How To Instructions

11. You may need to **Sign In** again using their LAFS email and press “Enter” (no need to enter password just yet)

The screenshot shows the Adobe Creative Cloud sign-in interface. At the top, there's a dark header with the Adobe Creative Cloud logo and a menu icon. Below the header, the Adobe ID logo is visible. The main section is titled "Sign in" and contains two input fields: "Email address" and "Password". Below these fields is a blue "Sign in" button and a link for "Forgot password?". Further down, there's a link for "Get an Adobe ID" for new members, and a link for "Sign in with an Enterprise ID" for company or school accounts. At the bottom, there are two buttons for signing in with "Facebook" and "Google".
