SketchUp

1. If you haven't downloaded and installed SketchUp Pro, please do so. **DOWNLOAD LINK:** http://help.sketchup.com/en/article/115548

2. Open the Finder and click on Applications.

3. Browse to the SketchUp # folder.

4. Click on the SketchUp icon.

5. When the Welcome window opens, click the Add License button. If the Welcome window doesn't open, start using SketchUp and click SketchUp > License > Authorize.

6. Enter your User Name, Serial Number (*Check your LA Film email*), and Key into the dialog box.

7. Click OK.
