## **--Please print this document out for future reference--**

Overview

1. You will first be downloading the Final Draft free Demo from our website.

To Download:

[www.finaldraft.com/install](http://www.finaldraft.com/install)

2. Once downloaded, install the program and run it.

Demo

3. When prompted, type in the Customer Number listed above to turn the free into a fully functional product.

This Customer Number is your proof of ownership of the Final Draft software license.

Be sure to keep it in a couple of safe places.

program

4. Activate: To run Final Draft for more than 15 days you must have the

activated. The activation process verifies that your Customer Number is legitimate and

User

has not been activated on more systems than allowed by the Final Draft End

License Agreement.

NOTE: This is an Academic product with only ONE activation. Regular versions of Final

Draft & Final Draft AV come with 2 activations.

and

Please be sure to register your new copy of Final Draft. You can do this here

# Final Draft

there's also a form in the Setup Assistant the first time you launch the program. If you need technical support, your options are listed here.

**Please download your code as soon as you receive your email.**

Please feel free to contact us if you have questions. Thank you for your purchase!
